SRI10 REQUEST FOR APPEAL
Please complete using BLOCK letters

If you disagree with the outcome of your review, you may lodge a request for appeal. **You cannot apply for an appeal using additional evidence not supplied in the original application.** If you wish to be reassessed considering new evidence, you will be required to lodge a '*SRI08 Request for reassessment*' form.
It is strongly recommended that you lodge a request for a review before you lodge a request for appeal. A review is a free service that provides further information regarding the outcome of your training and employment check or technical interview/ practical demonstration. You will be required to complete the '*SRI09 Request for Review'* form if you want to have a review done first.
A request for appeal must be lodged within 90 days of the original reassessment result. After this period, applications must be lodged in full and paid for again. **The appeal result is final.** Payment can be made by credit card or bank draft; we do not accept cash payments in person, posted or paid into a bank account. You can return this form by post or fax or as a scanned email from an authorised email to tradeassess@vetassess.com.au.
