

TRANSPORT COMPANY MANAGER

(ANZSCO Code: 149413)

Group C

About this document

- » The following Information Sheet is for your reference only and should be used as a guide to assist with your Skills Assessment application to VETASSESS. This information is subject to change.
- » Please note that a Skills Assessment of the qualification involves assessment of both the qualification level and content. Qualifications are assessed according to the guidelines published by the Australian Government Department of Education, Skills and Employment.
- » The employment assessment involves determining the skill level and relevance of the tasks undertaken.
- » Integrity checks may be conducted to verify the qualification and employment claims made in an application.

Qualification and employment criteria continued...

*If employment is prior to the completion of the qualification at the required level, an applicant must have at least one year of highly relevant employment at an appropriate skill level within the last five years. The remaining three years of pre-qualifying period may be within the last ten years.

A positive assessment of both qualification level and employment duration is required for a positive Skills Assessment outcome.

Qualification

AQF Diploma or higher qualification*

Highly relevant major fields of study include **Transport Management, Shipping and Logistics, Freight Management** and **Business Management**.

*This includes qualifications assessed at AQF Advanced Diploma, Associate Degree, Bachelor, Master and Doctoral level.

Employment

Highly relevant tasks include:

- » organising the purchase and maintenance of transport vehicles, equipment and fuel

- » liaising with clients to determine requirements and providing customers with advice and information regarding vehicle type, purchase or hire rates and obligations and handling complaints

- » receiving orders and bookings, and planning and implementing transportation schedules

- » ensuring goods are stored and transported in conditions that will maintain their quality

- » arranging collection and delivery of vehicles and goods

- » maintaining business records and preparing operational statements and reports

- » ensuring compliance with occupational health and safety regulations

Employment information

For this managerial occupation applicants are expected to have overall control of the company operations, including some HR and financial responsibilities.

Supporting material for assessment

Applicants nominating this managerial occupation must submit an organisational chart. An organisational chart should include the company letterhead, the applicant's job position and those of their superiors and subordinates as well as all positions reporting to their immediate supervisor and to the applicant's direct subordinates. It should also indicate the department's location within the overall company structure.

If an applicant is unable to obtain an organisational chart from their employer, they must provide a statutory declaration outlining the required information and the reasons why this information cannot be provided.
