Job description

Vehicle Painters prepare surfaces of vehicles, match and mix colours and apply paint.

Vehicle Painters’ work includes:

» removing rough spots on vehicle panels
» sanding surfaces by hand and with power sanders
» masking areas not to be painted with tape and paper
» colour matching and mixing paints to match paint shades, and selecting pre-mixed paint
» applying primer and finishing coats using spray-guns, and sanding surfaces between coats
» cutting and joining replacement sections using welding equipment
» fitting repaired or replacement panels on vehicles and refitting body hardware such as door locks and trims.

Vehicle Painters are usually employed by specialist auto body repair workshops or vehicle dealerships. The work environments can range from small workshops which undertake a variety of repair jobs to larger shops or those that specialise in a particular make of vehicle.

How will I be assessed?

Stage 1:
We will review your training and employment evidence to ensure you have:

» 5 years’ employment experience as a Vehicle Painter (with no formal training) OR
» 3 years’ employment experience as a Vehicle Painter (with relevant formal training*).

*‘Formal training’ is training that aligns with the national training standards in your country of training.

Your evidence must show you have worked in your occupation for at least 12 months within the last 3 years.

For more information on the documents required for Stage 1, see the Evidence Guide on our website.

Stage 2:
If you are successful in Stage 1, an assessor will assess you via a technical interview. The technical interview will be conducted in English and no interpreters are allowed.

For more information on Stage 2, see the Technical Interview Guide on our website.

How do I find out more about each unit of competency?
You are strongly encouraged to review each of the units of competency shown above. To do this:
1. Go to the following website: http://training.gov.au/Search/Training
2. Enter a unit code (e.g. AURASA002) into the ‘Title or code’ search box
3. Tick the ‘Units of competency’ check box
4. Select the ‘Search’ button
5. Select the unit from the search results
6. Read the Unit of Competency information

What will I receive after the assessment?
If you successfully complete Stage 2 you will receive the following:
» an Australian Certificate III qualification and a Statement of Results
» a migration outcome letter if the assessment is to support your visa application.

If you are unsuccessful in Stage 2 you will receive:
» a Statement of Attainment that lists the units of competency you successfully achieved
» a Statement of Results that lists units of competency you have successfully achieved and those that were not achieved.
