Information sheet

Emergency Service Worker

ANZSCO: 441211

Group D

About this document

- The following Information Sheet is for your reference only and should be used as a guide to assist with your Skills Assessment application to VETASSESS. This information is subject to change.
- Please note that a Skills Assessment of the qualification involves assessment of both the qualification level and content. Qualifications are assessed according to the guidelines published by the Australian Government Department of Education.
- The employment assessment involves determining the skill level and relevance of the tasks undertaken.
- Integrity checks may be conducted to verify the qualification and employment claims made in an application.

Job description

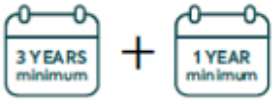

Attends the scene of emergencies to minimise risk to community safety and security.

Occupations considered suitable under this ANZSCO code:

- Industrial Paramedic
- Marine Emergency Services Worker

Emergency Services Worker is a VETASSESS Group D occupation.

This occupation requires a qualification assessed as comparable to the educational level of an Australian Qualifications Framework (AQF) Certificate III or higher. Applicants can fulfil the assessment criteria for this occupation in one of four ways.

GROUP D	Criteria for a suitable Skills Assessment				
	Post-qualification Pathways				
	Minimum comparable Certificate III or IV or higher AQF level		**With highly relevant major field of study**		**Highly relevant employment duration**
1	 Minimum AQF Certificate IV	+		+	
2	 Minimum AQF Certificate IV	+	No highly relevant major	+	
3	 Minimum AQF Certificate III	+		+	
	Pre-qualification Pathway				
	Highly Relevant employment duration				**Minimum comparable Certificate IV AQF level**
4	 Within last 5 years	+	With or without highly relevant major field of study	+	

Description of Pathways

The information below describes the available pathways for a Skills Assessment under **Group D** . Please note that in order to achieve a suitable Skills Assessment Outcome, a suitable assessment for both qualifications and employment is required.

Pathway 1

This pathway requires a qualification assessed as comparable to the education level of an Australian Qualifications Framework (AQF) Certificate IV or higher and in a field highly relevant to the nominated occupation.

Certificate IV or higher includes AQF Diploma, Advanced Diploma, Associate Degree, Bachelor Degree, Graduate Diploma, Master Degree or Doctoral Degree.

In addition, it is essential for applicants to meet the following employment criteria:

- at least **one** year of post-qualification employment at an appropriate skill level, undertaken in the last five years,
- working 20 hours or more per week, and
- highly relevant to the nominated occupation.

Please note: The qualification level requirement AQF Certificate IV or higher can be satisfied by one qualification, while the requirement for a highly relevant major can be met by a separate qualification at a minimum of AQF Certificate III level.

Pathway 2

This pathway requires a qualification assessed as comparable to the education level of an Australian Qualifications Framework (AQF) Certificate IV or higher and in a field not highly relevant to the nominated occupation.

Certificate IV or higher includes AQF Diploma, Advanced Diploma, Associate Degree, Bachelor Degree, Graduate Diploma, Master Degree or Doctoral Degree.

In addition, it is essential for applicants to meet the following employment criteria:

- at least **two** year of post-qualification employment at an appropriate skill level, undertaken in the last five years,
- working 20 hours or more per week, and
- highly relevant to the nominated occupation.

Please note - This pathway applies where a qualification is assessed at AQF Certificate IV level or higher and is not highly relevant to the nominated occupation, or where no other relevant qualification at AQF Certificate III level is available for consideration.

Pathway 3

This pathway requires a qualification assessed as comparable to the education level of an Australian Qualifications Framework (AQF) Certificate III in a field highly relevant to the nominated occupation.

In addition, it is essential for applicants to meet the following employment criteria:

- at least **three** years of post-qualification employment at an appropriate skill level, undertaken in the last five years,
- working 20 hours or more per week, and
- highly relevant to the nominated occupation.

Pathway 4

This pathway requires a qualification assessed as comparable to the education level of an Australian Qualifications Framework (AQF) Certificate IV or higher with or without a highly relevant major field of study to the nominated occupation.

Certificate IV or higher includes AQF Diploma, Advanced Diploma, Associate Degree, Bachelor Degree, Graduate Diploma, Master Degree or Doctoral Degree.

In addition, it is essential for applicants to meet the following employment criteria:

- at least **four** years of employment at an appropriate skill level that includes at least **one** year of highly relevant employment within the last five years before applying,
- working 20 hours or more per week, and
- highly relevant to the nominated occupation.

Qualification

Highly relevant major fields of study include:

- Emergency Service Delivery Operations
- Emergency Preparedness and Response Systems
- Accident-Emergency Procedures
- Accident Rescue for Emergency Service Personnel
- Emergency Risk Assessment and Management
- Public Safety (Community Safety)

This occupation requires a qualification assessed as comparable to the education level of an Australian Qualifications Framework (AQF) Certificate III or higher and in a field highly relevant to the nominated occupation.

Employment Criteria

Tasks may include but are not limited to:

- Attending the scene of fires and other emergencies reported to authorities
- Rescuing and evacuating people stranded or trapped in dangerous situations
- Administering first aid
- Attending and participating in training activities, rescue classes, drills, demonstrations and courses in emergency techniques
- Training recruits in emergency procedures and practices

Additional tasks may include

- Minimising risk by dousing fires or taking other steps as needed
- Participating in in-service events and drills to hone rescue and reaction skills
- Providing first aid to those at the emergency
- Rescuing, freeing, or evacuating those trapped in dangerous conditions
- Rushing to scenes of fire and other emergencies
- Studying building maps and plans to become familiar with access points and escape routes
