Qualification and employment criteria

Qualification

This occupation requires a qualification assessed as comparable to the education level of an Australian Qualifications Framework (AQF) Bachelor degree or higher degree and in a field highly relevant to the nominated occupation.

For visa-related requirements including caveats that may apply for certain occupations, please visit the **Department of Home Affairs website**

Employment Criteria

It is essential for applicants to meet the following employment criteria:

- at least one year of post-qualification employment at an appropriate skill level,
- undertaken in the last five years,
- working 20 hours or more per week, and
- highly relevant to the nominated occupation.

If the qualification is not in a highly relevant field, then the applicant must have:

- three years of post-qualification employment experience at an appropriate skill level,
- undertaken in the last five years,
- working 20 hours or more per week, and
- highly relevant to the nominated occupation.

This is reduced to two years if there is an additional qualification at least at AQF Diploma level in a highly relevant field.

If employment has occurred before completion of qualification, then five years of highly relevant employment experience are required in addition to at least one year of highly relevant employment at an appropriate skill level in the last five years.

Please note in order to achieve a successful Skills Assessment Outcome, a positive assessment for both qualifications and employment is required.
