

Massage Therapist

ANZSCO: 411611

Group C

About this document

- The following Information Sheet is for your reference only and should be used as a guide to assist with your Skills Assessment application to VETASSESS. This information is subject to change.
- Please note that a Skills Assessment of the qualification involves assessment of both the qualification level and content. Qualifications are assessed according to the guidelines published by the Australian Government Department of Education.
- The employment assessment involves determining the skill level and relevance of the tasks undertaken.
- Integrity checks may be conducted to verify the qualification and employment claims made in an application.

1-3

minimum years of employment highly relevant to the nominated occupation, completed at an appropriate skill level in the five years before the date of application for a Skills Assessment.

4

minimum 4 years of relevant employment required – three years of relevant employment (can be outside the last 5-year period) in addition to at least one year of highly relevant employment within the last five years before applying.

Qualification

Highly relevant major fields of study include:

- Massage Therapy
- Remedial Massage
- Traditional Chinese Medicine Remedial Massage
- Shiatsu and Oriental Therapies
- Reflexology and Sports Massage.

This includes qualifications assessed at AQF Advanced Diploma, Associate Degree, Bachelor, Master and Doctoral level.

Employment

Highly relevant tasks include, but are not limited to:

- Massaging the soft tissues of the body, such as muscles, tendons and ligaments, to assist healing
- Utilising a range of massage techniques to enhance sports performance and prevent injury
- Administering treatments to promote relaxation, improve circulation and relieve muscle tension
- Assessing and treating specific soft tissue dysfunction and providing rehabilitation advice
- Employing other techniques, such as acupuncture or Shiatsu, and complementary aids, such as infra-red lamps, wet compresses, ice, essential oils and herbal and mineral therapies, to assist recovery
- Assessing a client's physical condition and case history and advising on stretching exercises and relaxation techniques

Employment information

Massage Therapists are often self-employed or working as a contractor for a massage clinic. They also commonly work in the following industries:

- Health and fitness industry (clinics, sports clubs and gymnasiums)
- Sports industry (sporting teams, clubs and individual athletes)
- Recreation and tourism industry (hotels, health resorts and retreats)
- Medical and pharmaceutical industry (medical centres)

Supporting material for assessment

When applying for a Skills Assessment, please ensure you submit sufficient evidence supporting proof of identity, qualification and employment claims. A full list of the documents required can be found on the VETASSESS website under Eligibility Criteria. If you are self-employed or working as a contractor, you are required to provide the following:

- Evidence of self-employment such as sole trading or business registration details and / or official statements issued by your (registered) accountant and / or legal team. The statement from your accountant or solicitor must include the accountant's or solicitor's letterhead, your full name, how long you have been continuously self-employed (including official dates in each role), the nature of the business conducted, and the signature and contact details of the accountant or solicitor.
- A statutory declaration listing your main duties during self-employment.
- Payment evidence showing regular income from self-employment, such as client invoices together with corresponding bank statements and / or official taxation records.
- Supplementary evidence, such as contracts with clients or suppliers, client testimonials, evidence of projects completed, or other documents that support your application.
