VETASSESS

Information sheet

Tree Worker

ANZSCO: 362512 **Group D**

About this document

- The following Information Sheet is for your reference only and should be used as a guide to assist with your Skills Assessment application to VETASSESS. This information is subject to change.
- Please note that a Skills Assessment of the qualification involves assessment of both the qualification level and content. Qualifications are assessed according to the guidelines published by the Australian Government Department of Education.
- The employment assessment involves determining the skill level and relevance of the tasks undertaken.
- Integrity checks may be conducted to verify the qualification and employment claims made in an application.

Job description

Tree Workers maintain and care for individual trees and shrubs in urban environments by pruning and shaping branches, treating for pests and disease, removing dead or decaying trees, and advising on general tree care. They often employ specialist skills including aerial access of the tree using rope access or elevated work platforms.

Occupations considered suitable under this ANZSCO code:

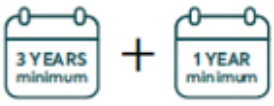

- Tree Surgeon
- Utility Tree Worker

Occupations not considered under this ANZSCO code:

- Forester
- Park Ranger

Tree Worker is a VETASSESS Group D occupation

This occupation requires a qualification assessed as comparable to the educational level of an Australian Qualifications Framework (AQF) Certificate III or higher. Applicants can fulfil the assessment criteria for this occupation in one of four ways.

GROUP D	Criteria for a suitable Skills Assessment				
	Post-qualification Pathways				
	Minimum comparable Certificate III or IV or higher AQF level		**With highly relevant major field of study**		**Highly relevant employment duration**
1	 Minimum AQF Certificate IV	+		+	
2	 Minimum AQF Certificate IV	+	No highly relevant major	+	
3	 Minimum AQF Certificate III	+		+	
	Pre-qualification Pathway				
	Highly Relevant employment duration				**Minimum comparable Certificate IV AQF level**
4	 Within last 5 years	+	With or without highly relevant major field of study	+	

Description of Pathways

The information below describes the available pathways for a Skills Assessment under **Group D** . Please note that in order to achieve a suitable Skills Assessment Outcome, a suitable assessment for both qualifications and employment is required.

Pathway 1

This pathway requires a qualification assessed as comparable to the education level of an Australian Qualifications Framework (AQF) Certificate IV or higher and in a field highly relevant to the nominated occupation.

Certificate IV or higher includes AQF Diploma, Advanced Diploma, Associate Degree, Bachelor Degree, Graduate Diploma, Master Degree or Doctoral Degree.

In addition, it is essential for applicants to meet the following employment criteria:

- at least **one** year of post-qualification employment at an appropriate skill level, undertaken in the last five years,
- working 20 hours or more per week, and
- highly relevant to the nominated occupation.

Please note: The qualification level requirement AQF Certificate IV or higher can be satisfied by one qualification, while the requirement for a highly relevant major can be met by a separate qualification at a minimum of AQF Certificate III level.

Pathway 2

This pathway requires a qualification assessed as comparable to the education level of an Australian Qualifications Framework (AQF) Certificate IV or higher and in a field not highly relevant to the nominated occupation.

Certificate IV or higher includes AQF Diploma, Advanced Diploma, Associate Degree, Bachelor Degree, Graduate Diploma, Master Degree or Doctoral Degree.

In addition, it is essential for applicants to meet the following employment criteria:

- at least **two** year of post-qualification employment at an appropriate skill level, undertaken in the last five years,
- working 20 hours or more per week, and
- highly relevant to the nominated occupation.

Please note - This pathway applies where a qualification is assessed at AQF Certificate IV level or higher and is not highly relevant to the nominated occupation, or where no other relevant qualification at AQF Certificate III level is available for consideration.

Pathway 3

This pathway requires a qualification assessed as comparable to the education level of an Australian Qualifications Framework (AQF) Certificate III in a field highly relevant to the nominated occupation.

In addition, it is essential for applicants to meet the following employment criteria:

- at least **three** years of post-qualification employment at an appropriate skill level, undertaken in the last five years,
- working 20 hours or more per week, and
- highly relevant to the nominated occupation.

Pathway 4

This pathway requires a qualification assessed as comparable to the education level of an Australian Qualifications Framework (AQF) Certificate IV or higher with or without a highly relevant major field of study to the nominated occupation.

Certificate IV or higher includes AQF Diploma, Advanced Diploma, Associate Degree, Bachelor Degree, Graduate Diploma, Master Degree or Doctoral Degree.

In addition, it is essential for applicants to meet the following employment criteria:

- at least **four** years of employment at an appropriate skill level that includes at least **one** year of highly relevant employment within the last five years before applying,
- working 20 hours or more per week, and
- highly relevant to the nominated occupation.

Qualification

Focus areas include:

- Arboriculture
- Forestry
- Horticulture

Employment

Highly relevant tasks include:

- examining individual trees to assess their condition, potential risks associated with limbs or trees falling, and determine treatment
- climbing trees using ropes and harnesses and elevated work platforms to reach limbs and branches
- maintaining and caring for trees and shrubs by pruning limbs and shaping branches using chain and handsaws
- removing dead and decaying trees, and grinding out tree stumps
- clearing trees from overhead electricity and telecommunications lines
