Psychologists are advised to contact the Australian Psychological Society for assessment as a Psychologist for migration purposes.

Student Counsellor is a VETASSESS Group A occupation

This occupation requires a qualification assessed as comparable to the educational level of an Australian Qualifications Framework (AQF) Bachelor degree or higher, in a field highly relevant to the nominated occupation.

Description of Pathways

The information below describes the available pathways for a Skills Assessment under**Group A**. Please note that in order to achieve a suitable Skills Assessment Outcome, a positive assessment for both qualifications and employment is required.

Pathway 1

This pathway requires a qualification assessed as comparable to the education level of an Australian Qualifications Framework (AQF) Bachelor degree or higher degree and in a field highly relevant to the nominated occupation. Bachelor degree or higher degree includes AQF Master Degree or AQF Doctoral Degree. In addition, it is essential for applicants to meet the following employment criteria:

- at least **one** year of post-qualification employment at an appropriate skill level, undertaken in the last five years,
- working 20 hours or more per week, and
- highly relevant to the nominated occupation.

Pathway 2

This pathway requires a qualification that has been assessed as comparable to the educational level of an Australian Qualifications Framework (AQF) Bachelor Degree or higher, in a field not highly relevant but related to the nominated occupation, as listed below, and an additional qualification in the field of Counselling or Psychotherapy at AQF Graduate Diploma level only. Related fields for a Bachelor qualification include:

- Psychology / Psychological Science
- Psychiatry
- Social Work
- Mental Health / Mental Health Nursing
- Special Education
- Behavioural Science
- Criminology

Bachelor degree or higher degree includes AQF Master Degree or AQF Doctoral Degree. In addition, it is essential for applicants to meet the following employment criteria:

- at least **one** year of post-qualification employment at an appropriate skill level, undertaken in the last five years,
- working 20 hours or more per week, and
- highly relevant to the nominated occupation.

Please note - To be eligible, the one year of employment must have been undertaken after the completion of a qualification comparable to an AQF Bachelor Degree or higher.

Qualification

The following fields of study that can be considered on a case-by-case basis if preceding highly relevant employment:

- Clinical Psychology
- Counselling Psychology
- Social Work in Clinical / Counselling stream

Highly relevant major fields of study include:

- Counselling
- Psychotherapy

Employment

Student Counsellors provide information and assistance to students, parents and teachers about a wide range of matters such as students' personal problems, learning difficulties and special requirements.

Highly relevant tasks include, but are not limited to:

- contributing information, understanding and advice on the learning and behaviour of students, especially those with special needs, and assisting parents and teachers in dealing with these needs.
- presenting alternative approaches and discussing potential for attitude and behaviour change.

Additional tasks may include:

- maintaining accurate and confidential client records.
- referring clients to other practitioners and service providers where appropriate.

In Australia, there are currently no legal requirements for licensing or registration for the occupation of Student Counsellor. Membership of a professional body such as the **Psychotherapy and Counselling Federation of Australia** may be required by employers.
