

# Pharmacy Technician

ANZSCO: 311215

Group D

## About this document

- The following Information Sheet is for your reference only and should be used as a guide to assist with your Skills Assessment application to VETASSESS. This information is subject to change.
- Please note that a Skills Assessment of the qualification involves assessment of both the qualification level and content. Qualifications are assessed according to the guidelines published by the Australian Government Department of Education.
- The employment assessment involves determining the skill level and relevance of the tasks undertaken.
- Integrity checks may be conducted to verify the qualification and employment claims made in an application.

## Job description

Pharmacy Technicians fill and label patients' prescriptions under the supervision of a Pharmacist. They may record details of, place orders for, take stock of, and store medications and medical supplies and deliver them to patients.

Alternative Title:

- Dispensary Technician

## Occupations not considered under this ANZSCO code:

- Hospital Pharmacist
- Retail Pharmacist
- Pharmacy Sales Assistant

These occupations are classified elsewhere in ANZSCO.

## Pharmacy Technician is a VETASSESS Group D occupation.

Pharmacy Technicians fill and label patients' prescriptions under the supervision of a Pharmacist. They may record details of, place orders for, take stock of, and store medications and medical supplies and deliver them to patients.

A positive assessment of both qualification level and employment duration is required for a positive Skills Assessment Outcome.

GROUP D		Criteria for a positive Skills Assessment

## Qualification

AQF Certificate III or higher qualification. This includes qualifications assessed at AQF Certificate III, Certificate IV, Diploma, Advanced Diploma, Associate Degree, Bachelor Degree, Graduate Diploma, Master and Doctoral level.

Highly relevant major fields of study include:

- Pharmacy
- Community Pharmacy
- Community Pharmacy Dispensary
- Hospital/Health Services Pharmacy Support

## Employment

Highly relevant tasks include:

- Referring prescriptions to Pharmacists and assisting in preparing medications;
- Filling and labelling patients' prescriptions under the supervision of a Pharmacist;
- Recording details of, placing orders for, taking stock of, and storing medications and medical supplies and delivering them to patients.

Other tasks may include:

- Compounding products under the supervision of a Pharmacist;
- Managing stock levels and inventory in pharmacies or on wards;
- Assisting with medication audits, reports and reviews;
- Supporting clinical Pharmacists in their routine work, such as screening patients or gathering information for Pharmacist review.

In Australia, there are currently no legal requirements for licensing or registration for the occupation of Pharmacy Technician.

## Employment information

Employment as a Pharmacist with standard tasks in that capacity cannot be assessed positively for Pharmacy Technician as these roles require a different skill set. This occupation should also not be confused with Pharmacy Sales Assistant (ANZSCO Code 621411), a person who sells pharmaceutical goods (non-prescription), toiletries and related goods in a retail pharmacy. Pharmacy Sales Assistants may accept prescriptions for filling by Retail Pharmacists and process payment.
