About this document

- The following Information Sheet is for your reference only and should be used as a guide to assist with your Skills Assessment application to VETASSESS. This information is subject to change.
- Please note that a Skills Assessment of the qualification involves assessment of both the qualification level and content. Qualifications are assessed according to the guidelines published by the Australian Government Department of Education.
- The employment assessment involves determining the skill level and relevance of the tasks undertaken.
- Integrity checks may be conducted to verify the qualification and employment claims made in an application.

Job description

Copywriters design and compose written material to advertise products and services.

Occupations not considered under this ANZSCO code:

- Newspaper or Periodical Editor
- Print Journalist
- Radio Journalist
- Technical Writer
- Television Journalist
- Journalists and Other Writers nec
- Advertising Specialist
- Marketing Specialist
- Public Relations Professional

These occupations are classified elsewhere in ANZSCO.

This occupation requires a qualification assessed as comparable to the educational level of an Australian Qualifications Framework (AQF) Bachelor degree or higher degree, in a field highly relevant to the nominated occupation. In addition to this, applicants must have undertaken at least one year of post-qualification employment at an appropriate skill level in the last five years which is highly relevant to the nominated occupation. If employment is not post-qualification, then five additional years of highly relevant employment are required.

If the degree is not in a highly relevant field, three years of employment at an appropriate skill level completed in the last five years in a field which is highly relevant to the nominated occupation is required. This is reduced to two years if there is an additional qualification at least at AQF Diploma level in a highly relevant field.

If employment is not post-qualification, then five additional years of relevant employment are required. This is in addition to one year of highly relevant employment within the past five years.

A positive assessment of both qualifications and employment is required for a positive Skills Assessment Outcome.
