Description of Pathways

The information below describes the available pathways for a Skills Assessment under **Group B**. Please note that in order to achieve a suitable Skills Assessment Outcome, a positive assessment for both qualifications and employment is required.

Pathway 1

This pathway requires a qualification assessed as comparable to the education level of an Australian Qualifications Framework (AQF) Bachelor degree or higher degree and in a field highly relevant to the nominated occupation.

Bachelor degree or higher degree includes AQF Master Degree or AQF Doctoral Degree.

In addition, it is essential for applicants to meet the following employment criteria:

- at least **one** year of post-qualification employment at an appropriate skill level, undertaken in the last five years,
- working 20 hours or more per week, and
- highly relevant to the nominated occupation.

Pathway 2

This pathway requires a qualification assessed as comparable to the education level of an Australian Qualifications Framework (AQF) Bachelor degree or higher degree and in a field not highly relevant to the nominated occupation.

Bachelor degree or higher degree includes AQF Master Degree or AQF Doctoral Degree.

An additional qualification in a highly relevant field of study at a minimum AQF Diploma level is required. Additional qualifications in a highly relevant field of study include those comparable to the AQF Diploma or AQF Advanced Diploma or AQF Associate Degree or AQF Graduate Diploma.

In addition, it is essential for applicants to meet the following employment criteria:

- at least **two** years of post-qualification employment at an appropriate skill level, undertaken in the last five years,
- working 20 hours or more per week, and
- highly relevant to the nominated occupation.

For example, an applicant for the occupation Quality Assurance Manager completed a non-relevant AQF Bachelor qualification in April 2024 and later completed an AQF Diploma in Quality Management in May 2026. The applicant commenced employment with the organisation in May 2024 and remains employed there.

Under Pathway 2, the applicant satisfies the minimum educational requirement for a Group B occupation through the AQF Bachelor qualification. Accordingly, employment is counted from the completion date of the Bachelor qualification, meaning employment from May 2024 onwards may be considered toward both the required Qualifying Period (QP) and any remaining eligible period for the points test.

As the later Diploma qualification is highly relevant to the occupation, the applicant may access the reduced employment requirement applicable under Pathway 2. In this case, only two years of QP are required, and that employment may be counted from the post-Bachelor period rather than from the Diploma qualification completion date.

Pathway 3

This pathway requires a qualification assessed as comparable to the education level of an Australian Qualifications Framework (AQF) Bachelor degree or higher degree and in a field not highly relevant to the nominated occupation.

Bachelor degree or higher degree includes AQF Master Degree or AQF Doctoral Degree.

In addition, it is essential for applicants to meet the following employment criteria:

- at least **three** years of post-qualification employment at an appropriate skill level, undertaken in the last five years,
- working 20 hours or more per week, and
- highly relevant to the nominated occupation.

Pathway 4

This pathway requires a qualification assessed as comparable to the education level of an Australian Qualifications Framework (AQF) Bachelor degree or higher degree with or without a highly relevant major field of study to the nominated occupation.

Bachelor degree or higher degree includes AQF Master Degree or AQF Doctoral Degree.

In addition, it is essential for applicants to meet the following employment criteria:

- at least **six** years of employment at an appropriate skill level that includes at least **one** year of highly relevant employment within the last five years before applying,
- working 20 hours or more per week, and
- highly relevant to the nominated occupation.

Qualification

This includes qualifications assessed at AQF Bachelor, Master and Doctoral level.

Highly relevant major fields of study include:

- Drama Education
- Theatre
- Dramatic Arts
- Performing Arts

Employment

Highly relevant tasks include, but are not limited to:

- Planning programs of study for individual students and groups.
- Preparing and presenting material on the theory of the subject area.
- Instructing and demonstrating practical aspects of the subject area.
- Assigning problems and exercises relative to students' training needs and talents.
- Assessing students and offering advice, criticism and encouragement.
- Revising curricula, course content, course materials and methods of instruction.
- Preparing students for examinations, performance and assessments.
- Keeping abreast of developments in the subject area by attending professional conferences, seminars and courses, reading current literature, and talking with colleagues.
- May arrange visits and tours to professional exhibitions and performances.
- May organise for exhibitions or performances of students' work.

Employment information

Drama teachers (Private Tuition) engage students in developing their physical, vocal and intellectual skills to generate challenging and diverse theatrical works. They may be employed by private acting/drama studios and schools, theatre production companies, independent performing arts schools, private agencies and drama associations, or they may work as sole traders.

This occupation falls under ANZSCO Unit Group 2492 Private Tutors and Teachers. Private tuition refers to supplementary tutoring, covering subjects that are perhaps already taught in schools as part of a formal/ prescribed curriculum, and the tutoring is provided by individuals for profit-making purposes. Private tuition is usually provided to individuals or small groups and the individual pays the cost of the training. The training usually takes place in a private training establishment rather than a school.

Private tuition may be provided by registered school teachers, but would occur outside of a formal school program. Therefore, school teachers may be considered under this occupation if they are providing supplementary tuition to a student or a small group of students outside of the school curriculum.
