## Description of Pathways

The information below describes the available pathways for a Skills Assessment under **Group B**. Please note that in order to achieve a successful Skills Assessment Outcome, a positive assessment for both qualifications and employment is required.

### Pathway 1

This pathway requires a qualification assessed as comparable to the education level of an Australian Qualifications Framework (AQF) Bachelor degree or higher degree and in a field highly relevant to the nominated occupation.

Bachelor degree or higher degree includes AQF Master Degree or AQF Doctoral Degree.

In addition, it is essential for applicants to meet the following employment criteria:

- at least **one** year of post-qualification employment at an appropriate skill level, undertaken in the last five years,
- working 20 hours or more per week, and
- highly relevant to the nominated occupation.

### Pathway 2

This pathway requires a qualification assessed as comparable to the education level of an Australian Qualifications Framework (AQF) Bachelor degree or higher degree and in a field not highly relevant to the nominated occupation.

Bachelor degree or higher degree includes AQF Master Degree or AQF Doctoral Degree.

An additional qualification in a highly relevant field of study at a minimum AQF Diploma level is required. Additional qualifications in a highly relevant field of study include those comparable to the AQF Diploma or AQF Advanced Diploma or AQF Associate Degree or AQF Graduate Diploma.

In addition, it is essential for applicants to meet the following employment criteria:

- at least **two** years of post-qualification employment at an appropriate skill level, undertaken in the last five years,
- working 20 hours or more per week, and
- highly relevant to the nominated occupation.

### Pathway 3

This pathway requires a qualification assessed as comparable to the education level of an Australian Qualifications Framework (AQF) Bachelor degree or higher degree and in a field not highly relevant to the nominated occupation.

Bachelor degree or higher degree includes AQF Master Degree or AQF Doctoral Degree.

In addition, it is essential for applicants to meet the following employment criteria:

- at least **three** years of post-qualification employment at an appropriate skill level, undertaken in the last five years,
- working 20 hours or more per week, and
- highly relevant to the nominated occupation.

### Pathway 4

This pathway requires a qualification assessed as comparable to the education level of an Australian Qualifications Framework (AQF) Bachelor degree or higher degree with or without a highly relevant major field of study to the nominated occupation.

Bachelor degree or higher degree includes AQF Master Degree or AQF Doctoral Degree.

In addition, it is essential for applicants to meet the following employment criteria:

- at least **six** years of employment at an appropriate skill level that includes at least **one** year of highly relevant employment within the last five years before applying,
- working 20 hours or more per week, and
- highly relevant to the nominated occupation.

## Qualification

This occupation requires a qualification in any of these fields:

- Business Management – the study of planning and directing the activities of commercial enterprises and understanding the nature, operation and role of business, as well as the resolution of management and administrative problems;
- Organisation Management – the study of organisational structure and change.

\*This includes qualifications assessed at AQF Bachelor, Master and Doctoral level.

## Employment

Highly relevant tasks include:

- Providing high level administrative, strategic planning and operational support, research and advice to senior management on administrative matters such as staff management, financial planning, facility management and information services;
- Developing and managing the organisation's administrative, financial, physical and staff resources;
- Developing and implementing administrative, financial and operational procedural statements and guidelines for use by staff in the organisation;
- Analysing complex resource management issues and initiatives that affect the organisation, and preparing associated reports, correspondence and submissions;
- Providing information and support for the preparation of financial reports and budgets;
- Leading, managing and developing administrative staff to ensure smooth business operations and the provision of accurate and timely information;
- Representing the organisation in negotiations, and at conventions, seminars, public hearings and forums, and promoting existing and new programs and policies.

## Employment information

Corporate Service Managers are usually employed in larger organisations with complex corporate structures. Corporate Service Managers require high level administrative, strategic planning and operational support skills to support senior management on administrative matters such as staff management, financial planning, facility management and information services.

General managers are classified elsewhere in ANZSCO and are not considered under this occupation. Roles with a focus on the management of general business operations or core business activities, rather than administrative support to the organisation, are also not considered relevant. Roles purely focused on finance management, ICT management, or HR management are classified elsewhere in ANZSCO.

## Supporting material for assessment

Applicants nominating this managerial occupation must submit an organisational chart. An organisational chart should include:

- The company letterhead,
- Your job position,
- The job position of your superiors and subordinates, as well as,
- All positions reporting to your immediate supervisor and to your direct subordinates.

If you are unable to obtain an organisational chart from your employer, please provide a statutory declaration outlining the required information and the reasons why this information cannot be provided.
