Employment Information

Valuers specialise in determining the value of land, buildings, properties, machinery, art and/or personal items. For employment in property, Valuers provide consultancy advice on valuation matters by examining properties, determining appropriate valuation methods and providing written assessments/reports. They can do this for the purposes of mortgage lending, rental determinations and legal proceedings (arbitration purposes). They may be involved with land economics and property management as part of their role.

Roles with a primary focus on urban and regional planning and design would not be considered relevant to the occupation of Valuer.

Supporting material for assessment

Applicants nominating this occupation are required to provide evidence that meets VETASSESS documentation requirements (see List of Required Documents). Applicants may also provide details of any relevant training or professional development courses undertaken, and licences/registrations held that relate to performing the role, if applicable. These may be detailed in the Curriculum Vitae/Resume provided.
