-------------	-----------------	------------------------

141311	Hotel or Motel Manager (Degree Level)	<p>A highly relevant field of study would be Hospitality Management, which is the study of managing the operations of organisations which provide hospitality services (ASCED).</p> <p>Tourism/Events Management Studies without relevant subjects in Hospitality/Hotel Management would not usually be considered positively for this occupation.</p> <p>Please note that employment as Restaurant Manager on its own will not be positively assessed for Hotel or Motel Manager as it better matches the separately listed occupation of 141111 Café or Restaurant Manager.</p> <p>For visa-related requirements including caveats that may apply for certain occupations, please visit the Department of Home Affairs website</p> <p>Information sheet</p>
--------	---------------------------------------	---

223111	Human Resource Adviser	
--------	------------------------	--

225211	ICT Account Manager	<p>An ICT Account Manager manages sale of computer hardware, software and services to existing account clients and identifies further sales opportunities within these accounts, builds new account clients, manages customer satisfaction and retention, and coordinates the preparation and presentation of ICT sales proposals and tenders.</p> <p>Highly relevant fields of study would include disciplines relevant to information and communication products, such as computer science and information technology. Other major fields of study such as marketing, accounting, or finance will be considered on a case-by-case basis if the employment is highly relevant and there is a clear connection between the major field of study and the products/services sold.</p> <p>The ICT products sold are typically targeted at enterprise (corporate) or public sectors and would normally be expected to constitute business solutions rather than be off-the-shelf products. The role requires in-depth, specialised knowledge in ICT to assess the needs of client organisations, explain the goods and services in detail, and engage in appropriate reporting and business planning. The role of an Account Manager is primarily to generate increased revenue from existing accounts, rather than to acquire new accounts. ICT Sales Assistants, who sell computing and telecommunications related goods and services in retail and wholesale establishments, are elsewhere classified in ANZSCO at a lower skill level than ICT Sales Professionals.</p>
