

# **Applicant information**

When you provide evidence of your workplace skills for Stage 1 Documentary Evidence Assessment, you must also provide a completed Supervisor Report.

## Who can complete the Supervisor Report?

The person who completes the Supervisor report must:

- hold a supervisor position at your current workplace or a past workplace (e.g. a supervisor, foreman, leading hand, team leader, or your employer)
- supervise you at work regularly (or has supervised you regularly in the past)
- be available to be contacted by VETASSESS to discuss their report if required.

A completed Supervisor Report allows you to provide evidence of the skills and knowledge you regularly display at your workplace.

- If the Supervisor is not contactable by VETASSESS the evidence in the report cannot be accepted.
