

Observation Report

AUR32120 Certificate III in Automotive Body Repair Technology

Applicant information

When you provide evidence of your workplace skills for your Trade Skills Assessment, you must also provide a completed Observation Report. A completed Observation Report allows you to provide evidence of the trade skills and knowledge you regularly display at your workplace.

Who can complete the Observation Report?

The person who completes the Observation Report must:

- hold a supervisor position at your current or past workplace (e.g. your supervisor, manager or owner of a business where you work)
- be available to be contacted by VETASSESS to discuss their report if required.

NOTE:

- If you do not have a supervisor in the current/past workplace or are unable to ask them to complete the report, you can approach other people who you work closely with (e.g. a senior colleague, regular/long-term client).
- If the person who completes the Observation Report is not contactable by VETASSESS, the evidence in the report cannot be accepted.
- An Observation Report does not replace a statement from your employer. You must provide a separate employer statement in your evidence for Stage 1.

Observer information

The information you provide in this report will be submitted to VETASSESS as part of the Applicant's Trade Skills Assessment process.

The report allows you to state skills and knowledge the Applicant regularly demonstrates in the workplace.

What must I do to complete the report?

- hold a supervisor position at your workplace or work closely with the Applicant
- regularly observe work performed by the Applicant
- answer the questions based on skills you have observed in the workplace
- answer all questions honestly
- be available to discuss this report with VETASSESS if required.

If you have any questions about completing this report, please contact us at tradeassess@vetassess.com.au

Return the report to the Applicant when you have completed and signed it.
