

Request for Urgent Processing

If you have a valid reason to request urgent processing of your application, you can submit a Request for Urgency. You must include the reason why you require your assessment urgently, along with evidence to support your request.

There is NO GUARANTEE that VETASSESS will be able to meet your deadline. Reasons for urgency will be considered on a case-by-case basis and must be exceptional. If an application is submitted with incomplete payment or documentation, even with a valid reason for urgent processing, VETASSESS will not be able to complete your assessment until all items have been provided.
