Explanatory notes

The Department of Home Affairs has made changes to the Temporary Graduate visa program, effective from 1 July 2024. From this date, we are accepting applications for skills assessment under the new Post-Vocational Education Work (subclass 485) stream.

We assess whether your qualification is:

- At the required educational level, and
- In a highly relevant field of study to your nominated occupation.

You do not need work experience for a qualifications-only assessment to support your application for Post-Vocational Education Work (Subclass 485) visa.

Important Note: — Applicants are advised to check age requirements to meet the relevant visa conditions before lodging an application for assessment. You can find more information on the Subclass 485 visa on the Department of Home Affairs website.

The SRG29 application explanatory notes are for applicants who already have a positive qualifications assessment for the same nominated occupation, issued from 2010, with the heading Qualifications Assessment for Skilled – Graduate (Temporary) visa (subclass 485) applicants or Qualifications Assessment for for Post-Vocational Education Work Visa (Subclass 485) applications. This application is for those who now require a full skills assessment (qualifications and employment) for permanent migration purposes.

VETASSESS undertakes Skills Assessments for a broad range of occupations that appear on Australia's List of Eligible Skilled Occupations for the:

- General Skilled Migration Program (GSM) – Points based visas
- Employer Nomination Scheme (ENS)
- Regional Sponsored Migration Scheme (RSMS)
- Temporary Skill Shortage (TSS) visa
- Post – Vocational Education Work Visa (subclass 485).

If you want to migrate to Australia under the GSM or ENS or RSMS or TSS visa, you need a Skills Assessment before you submit your migration application to the Department of Home Affairs. The Skills Assessment is based on the information and documentation you provide, as well as research undertaken by VETASSESS.

The Skills Assessment for the GSM or ENS or RSMS or TSS visa is an assessment of your qualifications and employment. Applicants need a qualification which is assessed at the required educational level, in a highly relevant field to the nominated occupation. In addition to this, at least one year of employment is required, in a field of high relevance and at an appropriate skill level to the nominated occupation. In some instances, either one or two years of additional employment is required if the qualification(s) do not meet all the criteria for relevance to the occupation.

VETASSESS also undertakes qualifications-only assessments to support an application for an onshore Post-Vocational Education Work (Subclass 485) visa.

If you have received a qualifications assessment for 485 visa purposes, you may then gain sufficient relevant employment experience to apply to us for a full Skills Assessment (qualifications and employment) to support an application to migrate for permanent residency. If your nominated occupation is the same, we will only need to consider your evidence of employment to complete the assessment.

For a list of VETASSESS occupations and to find out more about applying for a Skills Assessment, visit vetassess.com.au.

Who should use this application form? Use this form if you:

Already have a positive qualifications assessment for the same nominated occupation, issued from 2010. Your assessment outcome letter has the heading of: Qualifications Assessment for Skilled – Graduate (Temporary) visa (subclass 485) applicants or Qualifications Assessment for Post-Vocational Education Work Visa (Subclass 485) applicants. You will also have at least one year of post-qualification employment experience in a highly relevant field to your nominated occupation, at the skill level for your nominated occupation.

Notes to Questions

1. Your nominated occupation

This section deals with your nominated occupation and reason for assessment.

- 1.1 This is the title of the occupation that you nominate from the List of Eligible Skilled Occupations on the Department of Home Affairs website at homeaffairs.gov.au. It should be the same occupation you nominated for your Qualifications Assessment for 485 purposes. Please refer to the Department of Home Affairs website for advice on the occupations which may be nominated for permanent residency purposes. Do not use this form if you wish to nominate a different occupation to the one you nominated for the 485 Qualifications assessment. You can apply for a full skills assessment online.

We will only assess occupations if VETASSESS is listed as the relevant assessing authority on the Department of Home Affairs' List of Eligible Skilled Occupations. Nominate one occupation only on this form.

If you wish to nominate a different occupation to your previous assessment for a 485 visa, you can apply online.

- 1.2 You will find the ANZSCO code for your occupation on your outcome letter for your qualifications assessment from VETASSESS, or on the Department of Home Affairs website.
- 1.3 Cross one of the visa types – General Skilled Migration (GSM), Employer Nomination Scheme (ENS), Regional Sponsored Migration Scheme (RSMS) or Temporary Skill Shortage (TSS) visa.
- 1.4 Write your VETASSESS file reference number from your previous VETASSESS skills assessment form for 485 visa

purposes (qualifications only assessment). If you have not previously had an assessment from VETASSESS, or have had a pre-2010 assessment, you can apply for a new application online.

2. Your personal details

This section asks for all your personal and contact details. Complete this section carefully and make sure you provide all required information. If you are nominating an agent, their details are to be entered at **Section 3**.

3. Authorising an agent

Complete this section if you wish to appoint an agent to communicate with VETASSESS on your behalf. Please note that all correspondence will be sent to your agent. Go to Section 4 if you do not wish to appoint an agent.

Fill this area in if you know the name of the person who will be your agent for your application for a VETASSESS Skills Assessment. If you do not know the agent's name, the company name will be sufficient. To operate legally in Australia, a migration agent must be registered with the Migration Agents Registration Authority (MARA) and must have a MARA number. Your agent will be able to supply you with this number. To find out more about migration agents, visit mara.gov.au.

Agents or representatives should also sign the declaration at **Section 10**.

4. Your employment

This section is about your employment completed anytime in the ten years up to the date of lodgement of your application to VETASSESS.

For the Skills Assessment, only paid employment within the last five years which is highly relevant to the nominated occupation and at an appropriate skill level for your nominated occupation will be considered. You may describe other employment in your CV/résumé.

VETASSESS defines highly relevant employment to the nominated occupation as paid employment of at least 20 hours per week in which the major everyday tasks closely match the major tasks undertaken in the nominated occupation in Australia and are performed at an appropriate skill level for the nominated occupation in Australia. The employment must also match the lead statement in the Australian and New Zealand Standard Classification of Occupations (ANZSCO) for the nominated occupation.

VETASSESS will determine the date you met the entry level requirements for the nominated occupation based on closely related employment within the last ten years. VETASSESS will only count skilled employment post the Date Deemed Skilled as eligible for points test purpose. Please refer to our website for more information about 'Date Deemed Skilled'.

VETASSESS applies the Department of Home Affairs' definition of "closely related employment" to the nominated occupation in order to determine the date an applicant was deemed skilled within the last ten years. Closely related employment assessed positively will be eligible for employment points from the date the applicant is deemed skilled and not earlier. The Department of Home Affairs defines closely related employment as paid employment of at least 20 hours per week in an occupation which has the same skill level and draws on a similar skill set and

subject matter as the nominated occupation. Usually closely related employment is in an occupation which is in the same Unit Group of ANZSCO as the nominated occupation.

Please refer to our website if you have pre-qualification employment.

If you have worked in more than three positions, please provide details of any additional employment in the same format on a separate piece of paper. Sign and date the paper and attach it to your application form.

In calculating years of paid employment, VETASSESS will count employment of at least 20 hours per week. Do not include weeks of less than 20 hours per week even if the average hours of your employment was 20 hours per week or more.

Please list all positions which are relevant to your nominated occupation. List your most recent employment first

- 4.1 Write the business name of the employer for whom you work(ed).
- 4.2 Write the former or other names that the business is known by.
- 4.3 Write the complete street address of your employer, including the street name, number, suburb or town, state or territory, postcode and the country.

5. Other employment information

Include details of any licences, registrations or memberships you hold, if relevant to your nominated occupation. Ensure that you attach high quality colour copies of evidence of those professional licenses, registrations or memberships. This information provides additional evidence about your employment but does not replace the required evidence listed above for all applicants.

6. Higher qualifications

Please complete this section if you have an additional (higher) qualification which was not listed on your Qualifications Assessment.

7. Verification of Chinese qualifications

This section is for applicants for assessment of qualifications awarded in the People's Republic of China. Go to Section 8 if you do not require assessment of qualifications from China. If you have more than two qualifications, provide details of any additional qualifications in the same format on a separate piece of paper. Sign and date this piece of paper and attach it to your application form.

7.1 Cross 'Yes' if you have qualification(s) awarded by an institute in China.

7.2 For each qualification you hold, cross the boxes for the documents to be assessed and verified.

For Bachelor or higher degrees, you need to have the following documents verified:

- the Certificate of Graduation; and
- the Academic Transcript or Examination Results
- the Degree Certificate;

If you have been awarded credit on the basis of previous studies, the documentation from these studies will also need to be verified.

Both Chinese and English versions of transcripts will be verified and included in the Verification Report. Before submitting transcripts to VETASSESS, please check them to ensure that they are officially issued and all subject names, scores and credits of the English version match the original Chinese one. Inconsistent information in the documents may cause considerable delay or a negative verification result.

Required document checklist for verification of Chinese qualifications

Copy of your Personal Identification Card

Copy of original Degree Award certificate and Certificate of Graduation (if applicable) and its English translation

Electronic credentials report of degree certificate issued by CSSD in Chinese

Copy of Academic Transcripts – official documents in both Chinese and English, issued and endorsed by the central student administration or archiving office of the awarding body or the attending institution. For Self-Taught programs, they must be officially issued and endorsed by the relevant Self-Taught Examinations Committee.

Any unofficially issued documents or Graduation Registration Records may be not acceptable and/or be verified as 'nongenuine' official documents. Ensure the information (e.g. subject name, scores and credits) in the English version matches the Chinese version, as both will be verified. Inconsistent information in Chinese and English versions may cause considerable delay or lead to a negative verification and assessment result.

Key in the required information for both Chinese and English academic transcripts on the editable PDF forms, available to download on VETASSESS website

If you were awarded qualifications during army service by an army institution, you must provide additional documents for verification (contact VETASSESS for further information).
