

Electronic Equipment Trades Worker

ANZSCO Code: 342313

Occupation Description

Electronic Equipment Trades Workers install, maintain and repair electronic equipment and systems such as audio and visual reproduction equipment, home entertainment systems, computers and electronic security systems.

Their job involves:

- » examining and testing equipment and systems to diagnose faults
- » adjusting, repairing, and replacing worn and defective parts and wiring, and maintaining equipment and systems
- » reassembling, test operating and adjusting equipment
- » advising users of correct operating procedures to prevent malfunctions.

How will I be assessed?

Stage 1: Documentary Evidence Assessment

We will review your documentary evidence to ensure it meets the employment and training requirements and indicates that you have the necessary skills, knowledge and experience as an Electronic Equipment Trades Worker.

Pathway 1 non-licensed trades will need to provide additional documentary, video and photo evidence with their Documentary Evidence Assessment application.

You can find more information about the employment and training requirements, and the documents required in the Pathway 1, Pathway 2 and Evidence guides on our [website](#).

Stage 2: Technical Interview

If you are successful in Stage 1, you will complete a technical interview with our assessor. The technical interview will be conducted in English and no interpreters are allowed.

For more information about the technical interview, see the Stage 2 Assessment Guide on our [website](#).

What skills and knowledge do I need?

The qualification relevant to this occupation is **UEE30920 Certificate III in Electronics and Communications**.

To be awarded this qualification, you must demonstrate your skills and knowledge in the units of competency listed in the table below. Each unit of competency defines a selection of knowledge and skills required in Australian workplaces.

You must achieve 21 units of competency:

- » 14 core units
- » 7 elective units

CORE UNITS	
Code	Title
UEECD0007	Apply work health and safety regulations, codes and practices in the workplace
UEECD0016	Document and apply measures to control WHS risks associated with electrotechnology work*
UEECD0019	Fabricate, assemble and dismantle utilities industry components*
UEECD0043	Solve problems in direct current circuits*
UEECO0007	Participate in electronics and communications work and competency development activities
UEEEC0028	Fault find and repair complex power supplies*
UEEEC0060	Repairs basic electronic apparatus faults by replacement of components*
UEEEC0063	Solve fundamental electronic communications system problems*
UEEEC0066	Troubleshoot amplifiers in an electronic apparatus*
UEEEC0067	Troubleshoot basic amplifier circuits*
UEEEC0069	Troubleshoot digital sub-systems*
UEEEC0074	Troubleshoot resonance circuits in an electronic apparatus*
UEEEC0075	Troubleshoot single phase input d.c power supplies*
UEERE0001	Apply environmentally and sustainable procedures in the energy sector

ELECTIVE UNITS	
Code	Title
UEECD0051	Use drawings, diagrams, schedules, standards, codes and specifications*
UEEDV0005	Install and maintain cabling for multiple access to telecommunication services*
UEECD0020	Fix and secure electrotechnology equipment*
UEECS0003	Assemble, set up and test computing devices*
UEECS0029	Set up and configure basic local area network (LAN)*
UEECS0033	Use engineering applications software on personal computers
UEEEC0072	Troubleshoot microcontroller-based hardware systems

You must demonstrate competency in all core and elective units of competency and all of their pre-requisite units.

NOTE: * indicates that a unit requires a pre-requisite/s

How do I find out more about each unit of competency?

You are strongly encouraged to review each of the units of competency shown above.

To do this:

1. Go to the following website:
<https://training.gov.au/Search/Training>
2. Enter a unit code (e.g. UEECD0007) into the 'Keyword search' search box
3. Click on the 'Search' button
4. Read the Unit of Competency information.

What will I receive after the assessment?

If you **successfully** complete Stage 2 you will receive:

- » A Skills Assessment Result Letter to support your visa application

And if applying under Pathway 1:

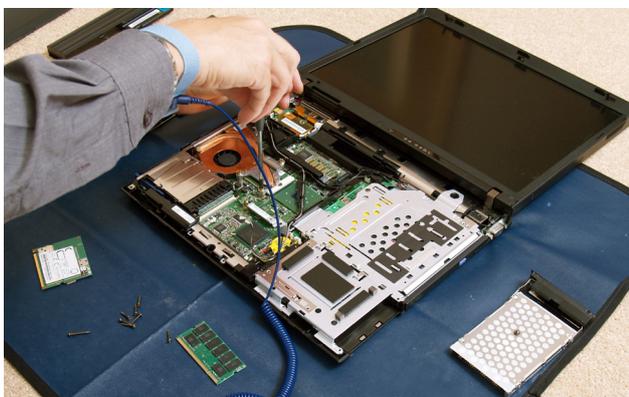

- » An Australian Certificate III qualification and a Statement of Results

If you are **unsuccessful** in Stage 2 you will receive:

- » A Skills Assessment Result Letter

And if applying under Pathway 1:

- » A Statement of Attainment that lists the units of competency you have successfully achieved
- » A Statement of Results that lists the units of competency you have successfully achieved and those that were not achieved.
